

Dear Parent and Carers,

VOLUNTARY CONTRIBUTIONS

The students of Bonython Primary School (Preschool – Year 6), benefit directly from the financial contributions made by parents during the year. Every dollar received is used to provide additional resources for our student learning programs. Your contribution is a very important component of our annual funds.

We are encouraging parents to support the learning programs for 2019 by making a family contribution. As stated above, your contribution is a very important component of our annual funds and we are hoping to reach a target of \$14,000. This will enable the school to purchase materials and resources to enhance the development of skills and knowledge to support our whole school curriculum.

This will enable:

- Opportunities for purchasing new library resources
- Specialised materials to support arts programs
- PE equipment to develop a wider variety of sporting skills
- Language resources for the teaching of Japanese
- Resources for students who require adjustments for their learning

Financial contributions of any size are welcomed and gratefully accepted. If a payment plan is preferable, this can be arranged through the front office. We encourage you to make a financial contribution towards your child's schooling.

Primary School:	\$110	1 child
	\$130	2 children
	\$150	3 children
	\$170	4 or more children

Preschool	\$230	per child

Please note: The payment of this financial contribution is voluntary. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.

If you have any questions about voluntary contributions please contact me or the School Board Chair.

Regards
