Seesaw

The Learning Journal

Dear Families/carers,

From Term 2 2019, Bonython Primary School will transition to Seesaw (<http://seesaw.me>), a secure online journal where students can document and reflect on what they are learning in class.

HOW DOES SEESAW WORK?

Students use creative tools to take pictures, draw, record videos and more to capture learning in a portfolio. Teachers create and share learning tasks with students. Much like Google Communities, teachers will be able to share information, photos, videos and documents about learning experiences with families. Families get notified when there are new posts in their student's journal. They only see their child's work and leave comments and encouragement.

Here's a short video introducing you to Seesaw <https://youtu.be/pzlrtdR84KY>

For your child to use Seesaw, the app needs your child's name to be able to associate learning like photos, videos or voice recordings with their individual journal. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

In Term 2 you will receive instructions on how to join your child's SEESAW journal. This can only be sent out after permission has been granted to add your child to the Seesaw platform.

I hope that your child will enjoy using Seesaw to document and share their learning this year. Please sign and return the attached permission note by Friday 3 May 2019

Regards
