SCHOOL STATIONERY SUPPLIES (BOOK PACKS)

Dear Parents and Carers

To assist in setting our students up for learning success each year we purchase an assortment of required stationery supplies for every student in each year level.

In consultation with our School Board, P&C and teaching staff, we will be bulk ordering school stationery supplies for 2017 to ensure delivery is ready for the first day of school next year, and to streamline the process for you. These supplies will cover your child’s curriculum needs throughout the year, and include items such as: lead and coloured pencils, textas, scrap/exercise books, display wallets, post-it notes, scissors etc. This way of ordering will not require you to complete individual book pack forms for each of your children at Bonython Primary School.

Students in years 3-6 are encouraged to bring along an empty pencil case on the first day of school next year. We have left this off our stationery supplies order as we are aware that students like to choose these personally and may already have one that they are able to re-use.

Ordering classroom supplies in bulk allows:

- all students to start the school year with all items required by classroom teachers to support learning
- time saved as families will not need to shop around for items and are able to pay by cash or cheque to the school office, EFT direct to the school account or by credit card via the payment tab on our website
- access to financial savings

The table below details year level costs and payment options for your information. Families are encouraged to pay to ensure all stationery arrives ready for the 2017 school year.
