

Dear Parent/Carers

VOLUNTARY CONTRIBUTIONS

The students of Bonython Primary, including Bonython Preschool, benefit directly from the financial contributions made by parents during the year. Every dollar received is used to provide additional resources for our student learning programs. Your contribution is a very important component of our annual funds.

We are encouraging parents to support the learning programs for 2016 by making a family contribution. As stated above, your contribution is a very important component of our annual funds and we are hoping to reach a target of \$14,000. This will enable the school to purchase materials that enhance the development of skills and knowledge in the KEY learning areas at ALL year levels.

This will mean:

- A wider variety of reading books to support your child’s literacy learning.
- Mathematical materials for those important links between concrete and abstract thinking.
- Software for Information Technology to support key learning areas.
- Specialised materials to support the arts program.
- PE equipment to develop a wider variety of sporting skills.
- Language resources for the teaching of Japanese.

We encourage you to make a financial contribution towards your child's schooling.

Primary School:	\$100	1 child
	\$120	2 children
	\$140	3 children
	\$160	4 or more children
Preschool	\$220	per child

Please note: The payment of this financial contribution is voluntary. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.
