Dear Families

As of Monday 30 July 2018 (week 2), we will be testing a new SMS messaging system for the notification of student absences. Parents of students who are absent and have not notified the school (prior to the SMS) on that day will receive a text message. The SMS will invite you to reply to the text message to explain the absence.

During this testing phase we invite parents/carers to advise us if they would like to update the mobile phone number used for this process by completing the slip below and returning it to the school

At the commencement of week 3 this SMS will occur daily between 9.30-10.00am.

We appreciate your patience through the testing phase as we wish to ensure this process is carried out as accurately as possible.
