At Bonython Primary assessment aims to:

- provide accurate and meaningful feedback for students and parents;
- be appropriate and in harmony with students’ learning experiences;
- enhance student self knowledge and monitor strengths and weaknesses;
- guide students’ progress towards attainment of specific goals and objectives; and,
- promote improved teaching strategies and program planning;

At Bonython Primary the annual reporting may include:

- ‘getting to know you’ interview in Term 1 regarding the students’ social adjustment to school;
- Learning Journey where students’ report to parents via a tour of their work;
- mid year report;
- mid-year parent/teacher interview with an academic focus; and,
- end-of-year written reports with optional interview if requested by parents or a teacher.

Parents are invited to discuss concerns about their children at any time of the year by making an appointment with the class teacher or Counsellor at a mutually convenient time.
