Dear Families and Friends

We continue to see strong engagement in our learning programs across the school. Teachers across the school are focusing on growing a culture of questioning and curiosity and ensuring that student passions for learning are harnessed. For children to improve their ability to follow their passions we are teaching them about the learning assets for life. The broad skill sets that we teach children on a daily basis are critical thinking, collaboration, self-management, researching (finding out) and communication. Each of these broad skills have many dispositions that teachers and students focus on. These allow us to develop as a more effective learner, to become more literate and numerate, to learn about content and to have a greater impact on the world around us. It's great to see students of all ages use the language of the learning assets throughout our wonderful school.

On Monday morning at Bonython Briefing we officially introduced Mr Vince Wood to our community. Vince comes to us with a range of maintenance and handyman skills and a history of strong communication and collaboration skills in the workplace. We are very pleased to have Vince on board. Please make him feel welcome when you see him around our school.

The enrolment period for 2018 is now open and will close on 29 May 2017. If you have a child or know a family that lives in Bonython and has a preschool aged child for 2018, please encourage them to enrol as soon as possible as preschool places are limited. All in area applications will be offered a place before we look at out of area applications. Please contact me if you would like a tour of the school.

Jacki Osti, our canteen manager, is currently looking for volunteers to help out. If you are available to help out on a Wednesday, Thursday or Friday please contact Jacki on 0417 022 292.

The Continental Cake Shop and Tiny Roar Photography are very keen to support our school and are willing to donate \$5 back to the school each time a parent / community member purchases something from their business. All donations made by these businesses will benefit the school and the learning programs of your children.

Have a great rest of the week and I look forward to talking to our families in person if we get the opportunity.

Regards

Greg Terrell
Principal

LANYON HIGH SCHOOL ENROLMENTS FOR 2018

The 2018 enrolment period is now open. If you would like to enrol your child in Year 7 at Lanyon High School please complete and submit an on-line enrolment form. If your child will be attending a feeder primary school you still need to complete the on-line enrolment form as the enrolments do not carry over.

UNIFORM SHOP OPERATING HOURS

The new hours for the Uniform shop will be on **Wednesday's of every even week**, from 2.30pm-3.30pm, and **Friday's of every odd week** from 9.10am-10.00am.

The P&C would like to thank Adina who has volunteered to help run the uniform shop. We are hoping the change of days and hours will make it more convenient to families.

STUDENT ABSENCES

Please notify the school if your child is absent from school, by phone (anytime leave a message), by email to bonythonps@ed.act.edu.au or through the smartphone app. Up and coming absences can be communicated to teachers via note, face to face conversations or email.
