Murrumbidgee students have been inquiring into, 'What is your special place and why?' This shared inquiry is hosted by the Natural, Social and Personal Worlds with a curriculum focus on Humanities. It is customary for the school to request a financial contribution towards meeting the cost of your child's participation in this excursion. These contributions are voluntary. The school has made every effort to keep costs for this activity at a reasonable level. If however there is insufficient total funding available to meet the cost of the excursion, regrettably we will not be able to proceed.

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

In the case of unacceptable or dangerous behaviour, arrangements may be made to exclude a child or arrange for them to be sent home at the expense of the parents.

If you fill in this form, your personal information and that of your child will be collected and handled by the ACT Education and Training Directorate (ETD) (Bonython Primary School). This information is necessary for us to manage student participation and attendance at the event, and support the welfare and safety of your child. If you do not consent to supply us with this information your child will be unable to attend/participate in the event. Normally, we will not use or disclose this information for another purpose, without your consent, unless you would reasonably expect us to use or disclose the information for a related purpose. While we will not usually disclose this information to third parties, we may share this information with other public (i.e. government) and non-government schools in the case of inter-school or inter-state state events in order to manage the event effectively. The Directorate has a privacy policy that explains how we handle personal information, including how we handle privacy complaints.
