Supporting Pre-Service Teachers

Dear families and carers of students in KF,

On Wednesday of this week (Week 1 of Term 4) KF students will be participating in a Physical Education lesson planned and delivered by two UC Pre-service Teachers who are in their final year of their Bachelor of Education degree.

As a part of their PE Assignment, the Pre-service teachers will be videoing the lesson planned and delivered by them to reflect on, for their assignment. The Pre-service students have obtained permission from the University to video students and the video recording will only be used for the assignment purpose and then promptly deleted.

If you wish your child not to participate in this PE lesson that will be videoed please complete the OPT out slip below and return to Miss Fisher by Wednesday 9.00am, 17 October 2018.

Kind Regards
